Hurlstone Agricultural High School

Project update | July 2023

Project overview

The NSW Government is investing in the future of Hurlstone Agricultural High School to continue its reputation of providing educational excellence to students in NSW. We are upgrading the boarding facilities and building a new farm hub at Hurlstone Agricultural High School.

The boarding facilities upgrade will deliver:

- 180 student accommodation beds
- dormitory monitor rooms and amenities
- junior and senior common rooms
- overnight accommodation for rostered duty staff and 2 permanent staff residences.

The new farm hub will deliver:

- dairy shed and milking parlour, dairy processing equipment and viewing gallery
- co-located learning spaces
- calf, pig and beef sheds
- horticulture
- commodity sheds and storage facilities
- new equipment and new irrigation systems
- relocation and construction of the sheep shed, chicken pens and aquaculture facility.

Progress Summary

The Development Application (DA) for Building A works at Hurlstone Agricultural High School has been lodged and will be available to view on [Campbelltown City Council's](#) website using the DA reference number:2214/2023/DA-C.

The proposed Building A works includes:

- 2 new staff accommodation areas and new student amenities
- improved accessibility through the building with the construction of a ramp walkway
- removal and upgrade the external stairs, associated walls and roof.

The DA will be on exhibition in the next few weeks.

A temporary farm office facility was installed near the shearing shed in preparation for the farm hub construction.

Next steps

- Completion of the Farm Hub design.
- Removal of in-ground hazardous material at the farm area.
- Receipt of development consent for Building A works.
